Dear Folks,

This letter and leaflet is just a means of **Wishing you all a Merry Christmas** and informing you of some of the services and events which will be happening in Llantrisant Parish over Christmas and in the coming months.

Christmas is a great time of year especially when we can celebrate it with family and friends and I think a really important part of those celebrations is passing on the good news about Jesus Christ which begins with the Christmas Story. Across the parish we have a whole host of services you can dip into, some quite traditional like the Midnight Communion services but others like the Christingle Service and the Christmas Eve Crib service which is aimed at those with children and is wonderful but manic and not for those looking for a quiet afternoon out. We've also got our Annual Remembrance Service, which is there for those wanting to remember a loved one who has died. That service is not a traditional Christmas service but we hold it at this time of year because it's a time when we remember and often really miss those loved ones. You'll find that service poignant but hopefully you'll also go away uplifted. There's so much more going on during December so have a good read of this leaflet and you can also visit our parish website for more details. Everyone is welcome to join us. Many of our services are All Age or geared towards those with children but if you're not sure which service or event would suit you best please email.

I pray that the next few weeks as you prepare for Christmas are really blessed and not stressed and that when Christmas arrives you'll be able to enjoy the celebration of the birth of Jesus in a really meaningful way.

Every Blessing
