## **Rev's Ruminations**

My Dear Friends,

A second month, and we are still in lockdown. No doubt this is a really frustrating for some of you, I know that I feel that way at times. In normal times I love taking a drive to the coast to see the sea, or up towards Brecon to the mountains and revel in the wonder of God's creation.

However, I, like everyone else am mostly at home at the moment. That doesn't mean that I don't get to enjoy God's creation; for those of you who have been able to join me on Facebook from my garden, you will have heard the birds (as well as Max, the dog next door). My garden, thanks to the 'wild flowers' (weeds, mostly), is full have of Primroses and a blanket of Forget-me-nots, it is a haven for insects, especially bees, and birds, and I have been fortunate to be able to enjoy it. But there are of course the frustrations.

One of those is not having the ability to visit people at the moment. Especially, those who are sick, dying, and those who grieve. It has always been the privilege of being a vicar that I have been able to visit hospitals whenever I wished, unfortunately, that is no longer the case and it saddens me, that I have not been able to visit people before they have died. Rest assured that they are in my prayers, and I always try to remember people at our daily prayer session at 5pm on Facebook, but it isn't the same. Likewise funerals are very different at the moment, we cannot commit people to God's care from church, and gravesides and crematoria are restricted to just 10 mourners. But even there, there are reasons to be joyful. It was Karin's uncle's funeral last week. Ian was from Coytrahen near Tondur, and as the funeral cortège left the house, the streets were lined by people on their doorsteps or at a safe distance from each other, to say goodbye. There were banners, and people raising a toast, as well as applause, it was a genuinely moving tribute.

Then there are the signs of hope for us as a church. Our online services and worship are helping people connect in a way they

were unable to previously. There are housebound parishioners who are able now to join us for worship, where they were unable previously to do so. We have people viewing us from all over the world, which is lovely, but more importantly, we have people joining us from within our community, who haven't been to church, for a long time, or even at all. This is certainly part of our calling, to share The Gospel in our community. Likewise it is encouraging to see how people have supported the ministry of our parish, a big thank you to all those who have recorded, or gone live at 5, with messages and prayers for us. The videos the worship group have produced of songs, have been fantastic, and I am so grateful of all the hard work they have put in to this really important ministry here, especially Rhiannon and Miriam. Thank you also to Ceri for producing the magazine, and for Pam for producing a newsletter. Thank you to everyone who has sent a personal message of support, be it an email, letter, or phone call, your support is certainly making a difference for me, and I am very grateful to receive it. It is such a blessing to be part of a parish where people are so willing to be a part of building God's kingdom. Our new rector, Vincent will be licensed in early May, via Zoom. This means that he will start in earnest to build the new Benefice, and I know he will be delighted by how people have been working together in lockdown. Sadly, until the lockdown is lifted he will be unable to physically move, but I have no doubt he will be working hard for us, even if it is remotely. In the mean time if anyone has any suggestions for how we can keep in touch during this lockdown period, especially for those without internet access please do let me know.

With every blessing,

*Rev'd Steve*

## **Grow Your Lawns**

The Royal Horticultural Society (RHS) has called on people to allow flowers to grow on their lawns, instead of insisting on smooth green surfaces. The reason is because nearly 7.5million acres of meadows and pastures rich in wildflowers have been lost since the Thirties, thus removing a vital source of food for pollinators, many of whom are now in steep decline.

The nation's 15 million gardens could help a lot in supporting bees, butterflies and other bugs looking for nectar.

### **Why Jesus walked on water**

A tourist, planning a trip to the Holy Land, was aghast when he found it would cost £50 an hour to rent a boat on the Sea of Galilee. “Goodness,” he objected to the travel agent. “In the UK it would not have been more than £20.”

“That might be true,” said the travel agent, “but you have to take into account that the Sea of Galilee is water on which our Lord Himself walked.”

“Well, at £50 an hour for a boat,” said the tourist, “it’s no wonder He walked.”

Does the ship make its own electricity?

Is it salt-water in the toilets?

## STEWARDSHIP

As all the churches are closed, all those who normally give to the parish through their stewardship envelope or the yellow gift aid envelopes obviously cannot do so at the moment but we are able to take card payments over the phone. If you would like to do this please ring **Roger 208312 or Shirley 226006** – just have your debit card ready and you can tell us how much you want to give.

Please do not send cheques to Roger as he is not able to go to the bank at the moment.

Thank you to all those who give by Standing Order, those will carry on as usual.

If you would like to set up a Standing Order with your bank (you will probably need to do so online or over the phone at the moment) ring Roger for the parish bank account number and sort code.

These are difficult times for all of us and reduced income for the parish/benefice over this period will have a big impact.

Please pass the message on.

Stay safe and God bless.

## Quiz by Mary Fairchild

These influential women of the Bible impacted not only the nation of Israel but eternal history as well. Some were saints, some were scoundrels. A few were queens but most were commoners. All played a key role in the spectacular Bible story. Each woman brought her unique character to bear on her situation, and for this, we still remember them centuries later.

Good Luck!

### **On the Perils of a Scout Camp**

*My dear Nephew Darren*

*It seems that the basics of parish ministry are no longer taught in theological colleges. Don't you know anything about consulting your diary in public? When you are asked if you are free on a certain date, accepted practice is to open it so that the enquirer cannot quite see. You then shake your head sadly, saying you are committed to blessing a new tea urn, or on some other vital ecclesiastical activity that day. Then you regretfully give your apologies. You do not open the thing in full view of your enquirer, so he can see the blank pages! Really, it serves you right that you are now committed to going on Scout camp.*

*The last time I agreed to pay the Scouts a visit was when I found that there was a splendid restaurant only a mile away from their camp. I arrived and parked my car by the side of the river where they were all canoeing, wound down the car window and made encouraging noises for some minutes before explaining I had to find a garage for petrol.*

*Several hours later, after an excellent lunch, I drove to where they were now rock climbing, wound down the car window and made encouraging noises for some minutes before explaining that I had a standing committee to return to that evening. It was a splendid day.*

*You, however, will experience the charms of two days under canvas. Whatever site for your tent you choose, it will be the one that floods first. The early hours will undoubtedly find you wading about in water in the pitch dark, retrieving your sleeping bag and clothes – which you will then have to wear for the rest of the day. Watch out for the food, as well: all camp food contains grass and usually sheep droppings. This will make you ill, though for some reason Scouts thrive on it.*

*Whatever the weather and whatever activities you do each day, you will end up wet, chilled and bruised. At least your evenings will be warm, for you are bound to spend them at Casualty, with youngsters suffering from sprained ankles or dislocated shoulders.*

*My only advice is to use those hours in Casualty to practise the art of opening your diary in a way that only YOU can see it.*

*Your loving uncle,*

## Word For Today

### **The power is in God's word**

*'All scripture is God-Breathed...so that the servant of God may be thoroughly equipped for every good work.' 2 Timothy 3:16-17*

As you read this devotional, always remember that the power doesn't lie in the writers thoughts or comments, but in the written word of God. Paul tells us, "*All scripture is God Breathed.*" It is impregnated with divine seeds of life and those seeds will spring to life within us, producing the fruit of the Spirit and 'delivering on' the promises of God. View this devotional as a gateway rather than a goal. See it as a little book which whets our appetite for the Big Book! When you read each day's devotion, have your Bible beside you and turn to the Scriptures that are referenced. As you deposit the Word of God within you every day, wonderful things will begin to happen in your life.

The Psalmist writes: *'Oh, the joys of those who do not follow the advice of the wicked or stand around with sinners or join in with the mockers. But they who delight in the law of the Lord, meditating on it day and night. They are like trees planted along the river bank, bearing fruit in each season. Their leaves never wither and they prosper in all they do'* Psalm 1:1-3. Note the words 'they prosper in all they do'. As we renew our minds with scripture, our faith will grow, our outlook will be altered and every area of our life will start to change for the better. *'All Scripture is God-Breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work.'*

Thank God that His Word has the power to transform us.

## **Wordsearch** *(answers in June's Magazine)*

This month the Church celebrates the Ascension of Jesus, the sending of the Holy Spirit at Pentecost, and the fact that our God is a Trinity: Father, Son and Holy Spirit. After the Resurrection, Jesus was seen on the road to Emmaus, by the Sea of Galilee, in houses, etc. He encouraged his disciples, and said that He was sending them to all corners of the earth, as his witnesses. 40 days after Easter, Jesus ascended into heaven; his work on earth was done. The disciples returned to Jerusalem, and on the fateful morning of Pentecost, there was suddenly the sound as of a mighty rushing wind. Tongues of flame flickered on their heads, and they began to praise God in many tongues – to the astonishment of those who heard them. That morning the Holy Spirit came to indwell all those who believed in Jesus: the Church was born. And so we have a triune God: Father, Son and Holy Spirit.

## Bible Bites

### Bible Bite

A short story from the Bible

It can be read in the Bible in  
Samuel 8:1 - 10:1, 17-24

Samuel had been a good leader of Israel  
but he was now old. The leaders of the  
twelve tribes came to talk to him...

We want a king like all  
the other countries

God told Samuel

It's not you they are  
rejecting but Me

If you have a king, he will  
take your sons to be his  
army and your daughters to  
work in his palace.

He will take the best of  
your land, your crops  
and your animals

We still want a king.

Samuel sent them home.

I was  
hoping he would choose me..

Saul and his servant were  
looking for some donkeys  
that had run off.

They decided to ask  
Samuel to ask God  
where the donkeys were

God told Samuel that  
Saul was to be the  
king

Samuel called everyone to a  
meeting and told them that  
God had chosen a king.

God told them that Saul  
was to be their king...

but Saul was hiding.

He's behind the luggage.

and they found Saul.

The people cheered!

Long live the King!
